

RACHEL ASHWELL (Feature: 1611)

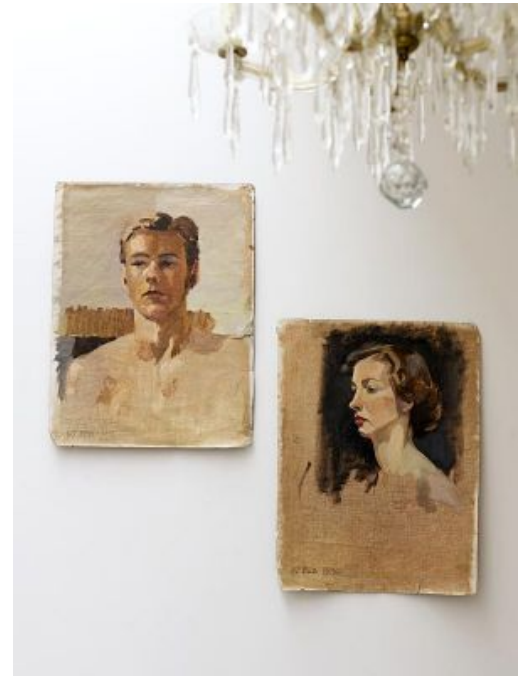

Wouldn't you love a vast, squishy sofa, covered in crumpled white linen, to snuggle up on? Or an authentic, old dresser to display your treasures in? Or perhaps, even, an outsized lampshade or two fashioned from saloon girl petticoats?

SYNOPSIS

If your answers to the above are yes, yes and yes! you're in luck. Rachel Ashwell, the girl from Cambridge who took California by storm 20 years ago, with her down-home, prairie-style vision of interior décor, is about to make it big... again! But this time, on this side of the pond.
