

## *GEORGIA JONES BATHROOM (Feature: 1414)*

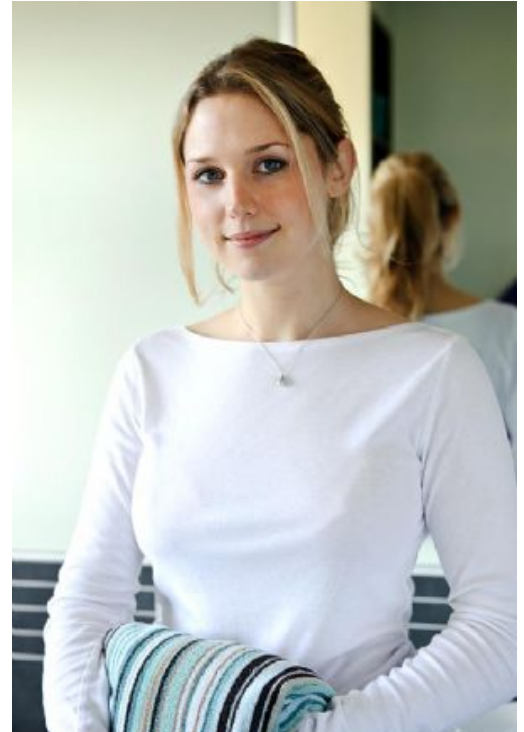

High street buys and a dash of hotel chic gave Georgia and Steve a stylish new bathroom.

## *SYNOPSIS*

Georgia Jones used the lessons from her previous bathroom to make sure that her new one turned out just perfect, “We’d had quite a big bathroom before, but a small shower cubicle, and standard-sized bath and basin, so it felt cramped, even though there was more floorspace than we needed,” explains Georgia.
