

HELENE KITCHEN (Feature: 2214)

A beautiful kitchen in a classic country style with plenty of storage and space for socialising.

Location: Sweden

Photographer: Devis Bionaz

SYNOPSIS

Despite the ill-maintained façade with a strange floor plan and an hopelessly small kitchen Helene and Per saw possibilities of a large bright dream kitchen. An important part of the interior is the beautiful large kitchen glass-cabinet with clear glass-doors and glazing-bars. A practical and beautiful style of furniture that enhances the traditional country feeling.
