

NICOLE AND PAUL HOOD (Feature: 3306)

Nicole Hood used her love of textiles to give her 15th century 'Clothiers Palace' cottage a new twist.

Location: Somerset, UK

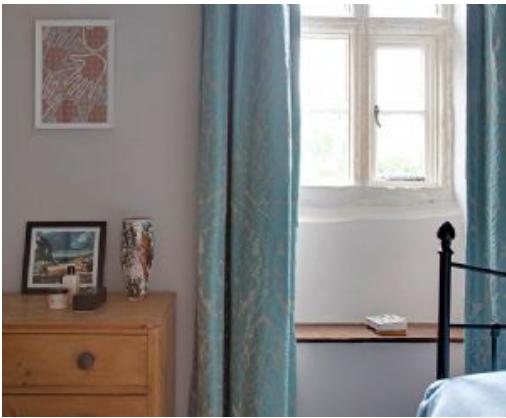

Photographer: Fiona Walker-Arnott

SYNOPSIS

Built by a wealthy textile merchant, the Grade II listed cottage still retains many original features including its stone mullions windows, inglenook fireplace, oak window seat and two-feet thick stone walls. Nicole used colour and organic texture to compliment the age and history of this historic gem.
