

### *NEW YORK STYLE APARTMENT IN TYCHY (Feature: 4301)*

Malwina loves feminine spaces with lots of whites, blues and New York style details. She likes her projects to become exactly the way she designed them, so she runs not only an architectural studio but also a luxury furniture & accessories store.

## *SYNOPSIS*

When she bought this small apartment in Tychy for herself, it was dark and cluttered. She decided to move a few walls to create a comfortable and sunny space.
